• Expanded space – 25 exhibitors

Ideal Exhibitor Area!
• In opera house lobby, adjacent to presentations
• Registration / coffee / bar / happy hour are intermixed
VISION 2020: REVEALING THE RESERVOIR
Exhibitor Booth Registration Form

The Denver Geophysical Society (DGS) invites vendors with an interest in 3D Seismic to participate in the 2019 3D Seismic Symposium. The booth exhibition will be held on Tuesday, March 17, 2020, from 7:00 a.m. to 7:00 p.m. at The Ellie Caulkins Opera House in Downtown Denver, for the 26th Annual 3D Seismic Symposium, Vision 2020: Revealing The Reservoir.

The exhibit area will be in the lobby at the Ellie Caulkins Opera House so attendees (300+ in past years) can visit the booths throughout the day and during morning and afternoon breaks. The large exhibition space can accommodate 7 exhibitor booths. (Returning 2019 exhibitors will be given priority in booth location selection, all others are on a first come first serve basis.) A happy hour will be hosted post-symposium with the speaker award presentation in the lobby exhibit area. Drink tickets are available for purchase to distribute to symposium attendees.

Exhibitor Booth Registration includes:
- 7” X 44” identification sign
- 2 full symposium registrations
- an 8 ft. draped table, two chairs, wastebasket, an easel and one 110V electrical outlet.
  Additional tables are available on a case by case basis.

Exhibitor move-in is not included:
- 10X10 exhibit booths are not accepted.
- Any item that is not carried in to the Opera House is subject to a labor charge.

A vendor package with additional information and updated set up time will be sent approximately 4 weeks prior to the event. Setup hours will be on Monday, March 16th, from 5:00pm to 7:00 pm, and 6:30 am to 7:00 am on the morning of the event. Dismantling must be completed by 7:30 pm following the social in the exhibit area. Parking is not included in this package, but parking space is available in the Curtis Street garage.

This contract must be returned before December 1, 2019 with a check (made to DGS) or credit card (Visa, American Express, Discover, or MasterCard only) for full payment. No refunds will be offered on cancellations after 02/01/2020.
